Nel legno le radici dell'eleganza. Eur, una collezione di mobili protagonisti in ogni spazio al livello direzionale, affascinanti nello stile sobrio di gusto classico, versatili nelle dimensioni e nell'utilizzo. Forme ricercate per funzioni essenziali con presenza d'insieme forte e determinante. Viene proposto nelle versioni in legno noce o wengè.

The roots of elegance in the wood. Eur, a collection of furniture which plays a leading role in every directional space, charming in its sober style with classic taste, versatile in dimensions and use. Refined shapes for essential roles, with a strong and determining presence. Available in the walnut or wengè finishes.

Linearità, qualità, attenzione ai particolari di stile, contraddistinguono l'intero programma proponendo varie soluzioni di scrivanie, mobili direzionali e librerie di un alto livello in grado di soddisfare ogni esigenza estetica e di utilizzo in ambienti personalizzati. L'organizzazione dello spazio viene interpretata proponendo diverse tipologie di piani, dritto, curvo, con inserto in pelle, allungo frontale o laterale e piani di servizio.

Linearity, quality, attention on stylistic details, feature the entire program, suggesting various solutions of high level desks, cupboards and bookcases that are able to satisfy every aesthetic need and the use in personalized environments.

Space organization is expressed by suggesting different typologies of worktops: straight, curved, with leather insert, side return table and frontal extractable extension.

La personalità unica del programma viene sottolineata con la proposta e utilizzo di due essenze di tonalità legno, noce e wengè. Una scelta estetica sobria e determinata che conferisce alla collezione un gusto classico ed esclusivo.

The unique personality of the program is underlined with the use of two types of wood, walnut and wengè. A sober and resolute aesthetic choice that gives the collection a classic and exclusive taste.

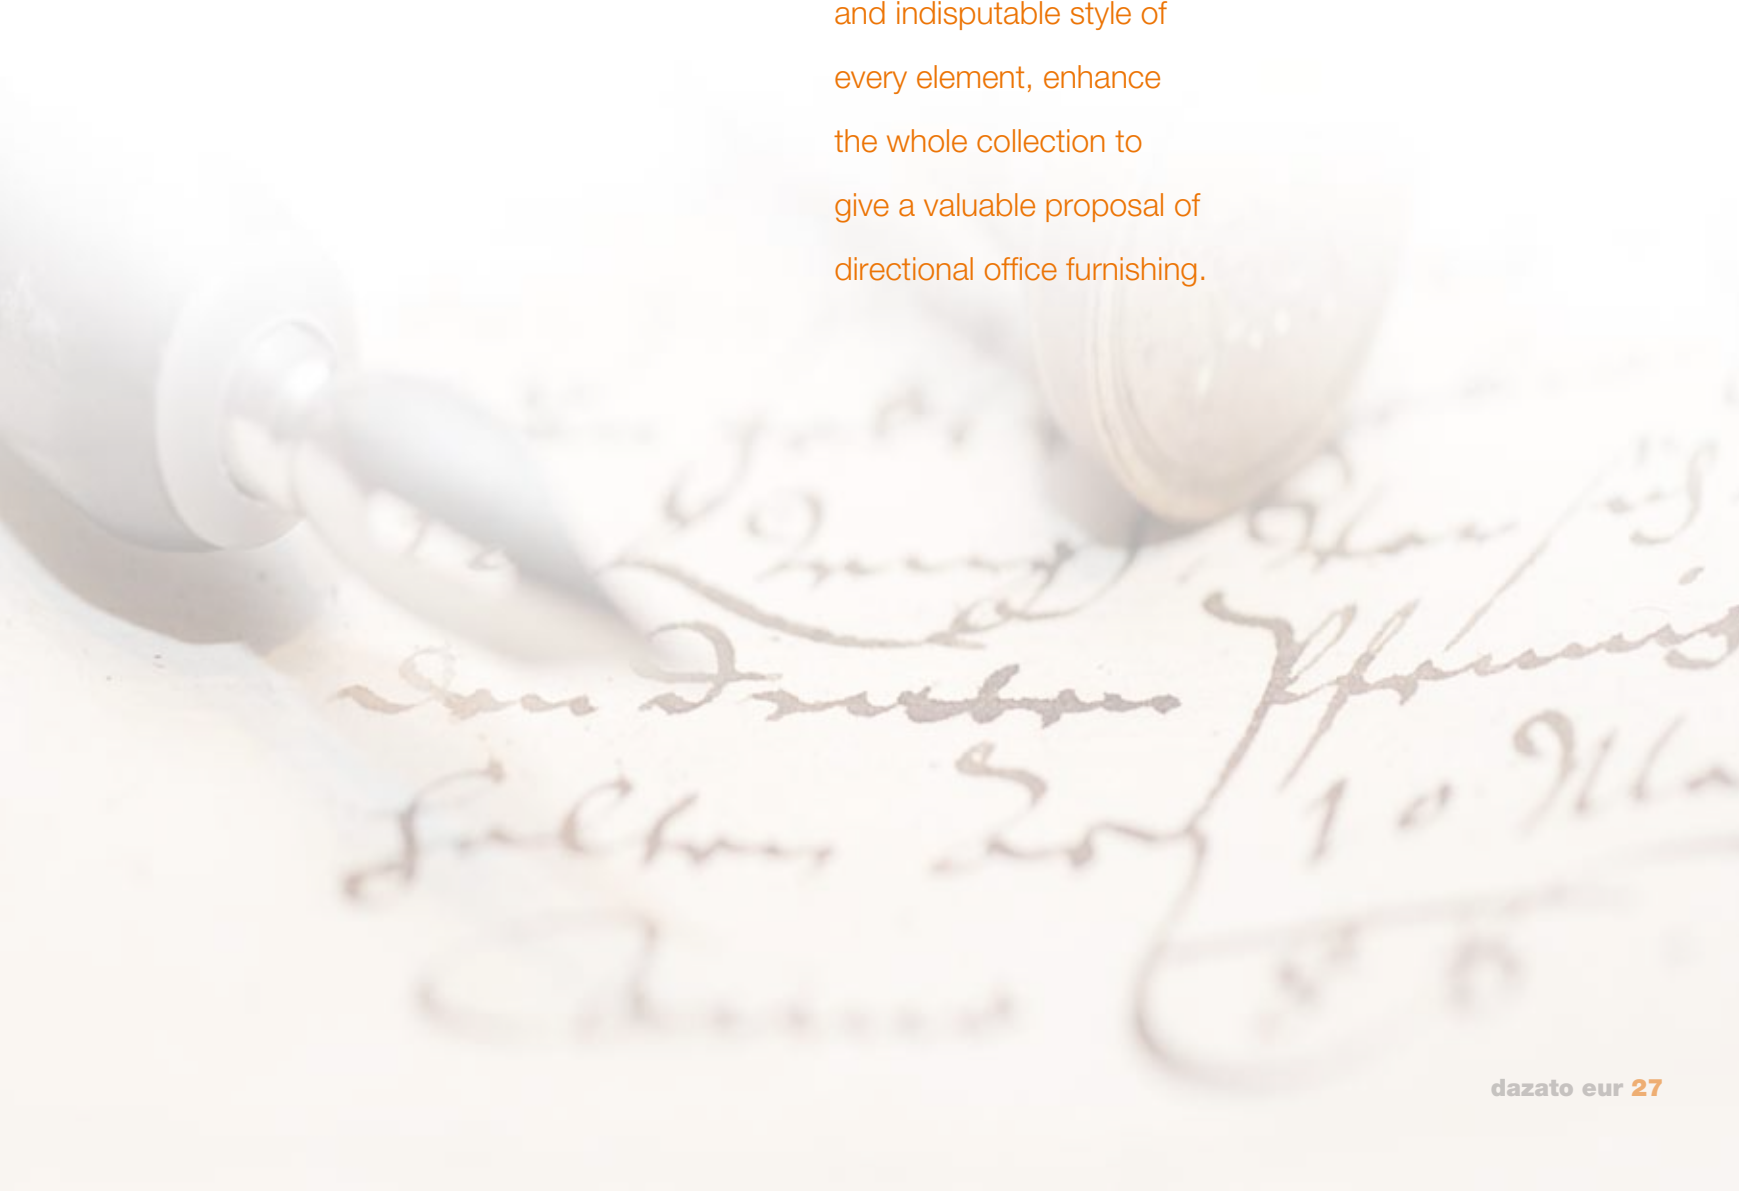

La costante ricerca di materiali accuratamente selezionati, un continuo accento al gusto raffinato e lo stile essenziale e inconfondibile di ogni elemento, valorizzano l'intera collezione per una valida proposta di arredo di ufficio direzionale.

The constant research of accurately selected materials, a continuous emphasis on refined taste and the essential and indisputable style of every element, enhance the whole collection to give a valuable proposal of directional office furnishing.

Il sistema libreria Eur nasce dal concetto di una modularità totale. Essenziale nelle linee dalla forma geometrica modulare, svolge il ruolo di inter-parete e di contenitore polifunzionale.

The Eur bookcase system originates with the concept of total modularity. Essential in its modular geometric shape, it plays the role of partition wall and multipurpose case.

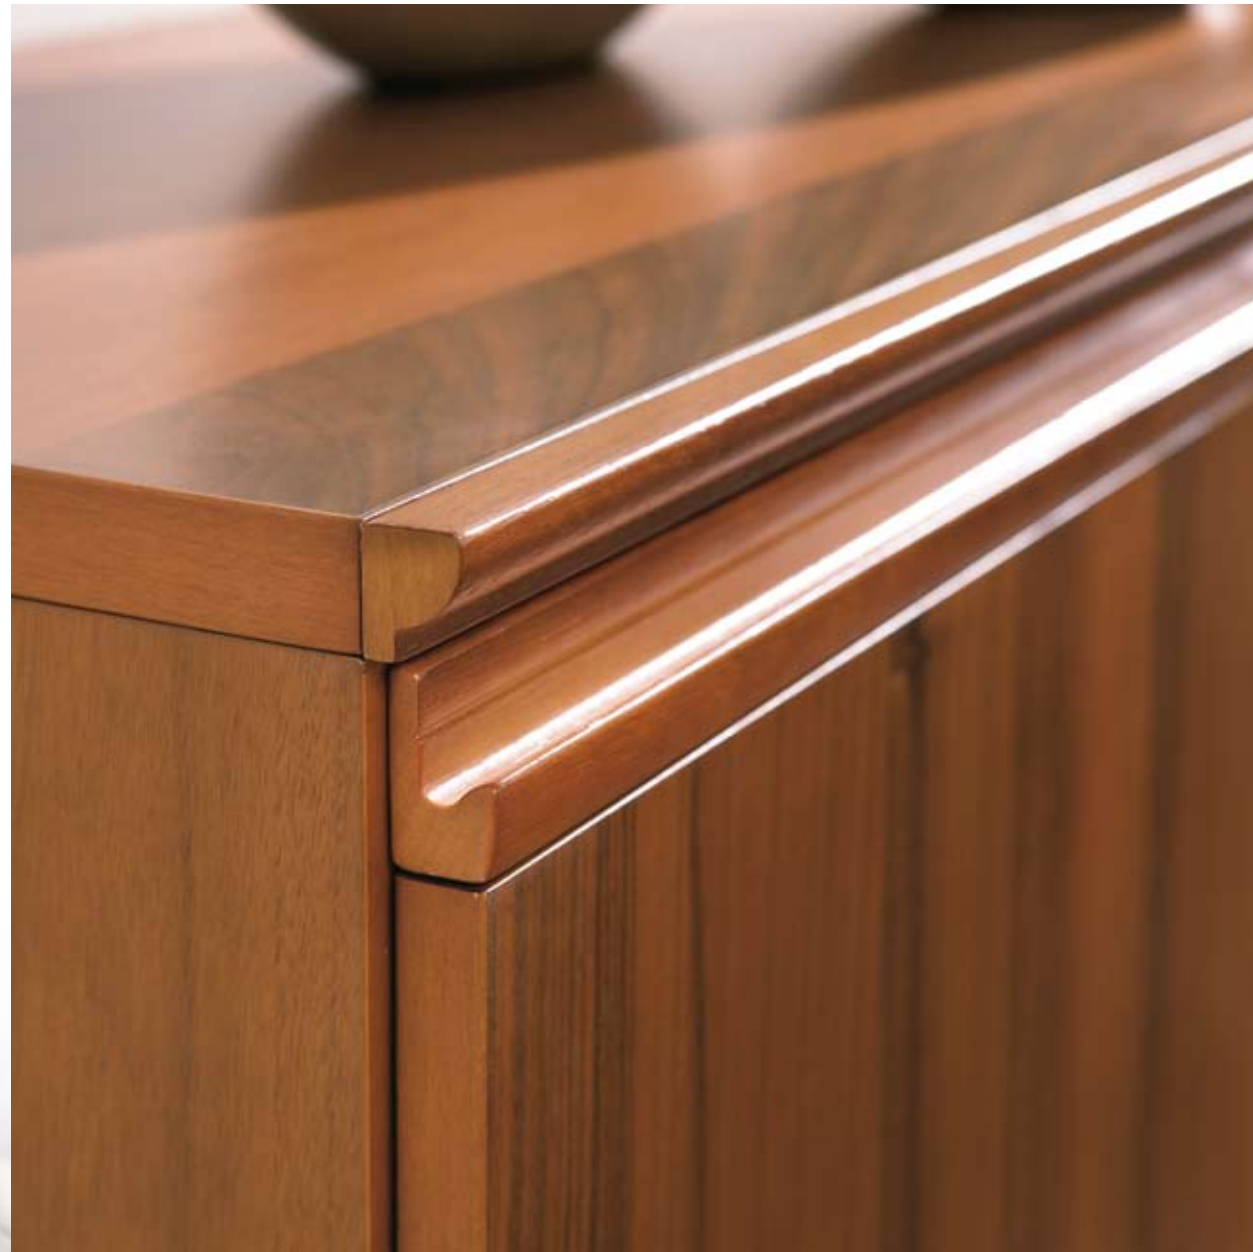

Il sistema libreria Eur è caratterizzato dall'estrema flessibilità di composizione, adatto a soddisfare tutte le esigenze in termini di spazio con stile, funzionalità e razionalità. È composto strutturalmente da montanti, schienali e ripiani e da una serie di originali accessori di completamento.

The Eur bookcase system is characterized by a large flexibility in compositions, suitable to meet every exigency of space with style and functionality. Its structure is made of central and final sides, back panel, shelves and completed by original completion accessories.

Noce - Walnut

Wengè - Wengè

Jazz poltrona, divano due posti, divano tre posti. Classicità nello stile, alto livello di comfort per pause creative, incontri e confronti. Linea pura e rigore costruttivo per un effetto di notevole eleganza. Un progetto di

precisione costruttiva che si fonde con creatività ed intuizione. Il piacere di sedersi grazie ad una forma volumetrica ideale.

Jazz armchair, two-seater sofa, three-seater sofa. Classical style, high comfort level for creative breaks and meetings. Simple but rigorous line for an effect of notable elegance. A project of high precision that combines

creativity and intuition. The pleasure of sitting thanks to an ideal volumetric shape.

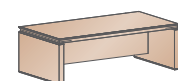

La poltrona **Dico Wood** è caratterizzata dal bracciolo imbottito abbinato al legno massiccio che sottolinea con gusto le forme estetiche decise, raffinate ed affidabili. Tutte le regolazioni sono azionate da pulsanti incorporati nella scocca di base, che evidenziano la compattezza e l'eleganza della poltrona. Il profilo esterno del bracciolo imbottito e la base girevole sono realizzati in legno massiccio verniciato nelle finiture del noce o wengè.

The **Dico Wood** chair features padded armrests matched with solid wood that tastefully underlines the clear, refined and reliable styling. All adjustments are activated by push buttons incorporated in the frame, which exalts the compact and elegant lines of the chair. The profile of the padded armrests and the rotating base are in solid wood painted with a walnut or wengè finish.

Per il rivestimento di pareti tramite boiserie in legno vengono utilizzati pannelli delle stesse lunghezze dei moduli libreria (43, 86 o 129 cm), agganciati al muro grazie a dei profili in alluminio. Alla boiserie possono essere appesi ripiani oppure la libreria sospesa.

Wooden boiserie covers the office walls thanks to wooden panels that have the same length of the bookcases modules (43, 86 or 129 cm), and are attached to the wall by aluminium profiles. To the boiserie you can add shelves or the hanging bookcase.

Dazato è una azienda specializzata nella produzione di mobili e poltrone per ufficio e collettività. L'intera attività aziendale è indirizzata verso una costante innovazione dei modelli e una accurata esecuzione in ogni particolare. I prodotti sono caratterizzati da una notevole qualità nei componenti impiegati, nelle finiture adottate in ogni particolare, nella funzionalità ergonomica e nel design inteso come sviluppo di forma e funzione del prodotto. Dazato si riserva la facoltà di apportare tutte le modifiche necessarie, migliorie tecniche e formali, che ritiene opportuno per migliorare i propri prodotti, in qualsiasi momento e senza alcun preavviso. Le tonalità di colore relative alle finiture delle essenze legno sono puramente indicative e non impegnano il produttore.
